

KXT7730EW

- Alphanumeric Display
- 12 Programmable Keys
- Incoming Call Message Lamp
- Navigator Key
- Speakerphone

PRODUCT DESCRIPTION

12 Key Handsfree Display Telephone

Alphanumeric Display

1 line with a 16 character display provides useful information such as absent messages, call status, date and time, and call duration. Caller ID is available with an optional card.

12 Programmable Keys (Red/Green Lamp Status)

Enjoy one-touch operation of features such as Direct Station Selection (DSS), log-in/log-out, or voicemail transfer. Dual Colour LED's show convenient information. A Busy Lamp Field (BLF) shows which extensions are in use.

Incoming Call/Message Lamp

This large, easy-to-see lamp announces incoming calls or messages, so you'll always know whose telephone is ringing -even from a distance.

Navigator Key

For quick adjustment of the volume and display contrast.

Speakerphone

Speakerphone for hands-free convenience. Dial or talk without picking up the handset.

Auto Answer/Mute

Auto Answer: For use with intercom calls.

Mute: Listen without being heard.

Available in Black or White
